Coming Jobs War

Jim Clifton's The Coming Jobs War is about how America can avoid an economic downfall by creating more good jobs and preventing their citizens from fighting for good jobs. Contrary to popular belief, this cannot be done by the government alone, but has to be a collective effort from the entire nation.

The Coming Jobs War Quotes by Jim Clifton - Goodreads

The Chairman of Gallup, Jim Clifton, made a strong case that we're in World War III in his book The Coming Jobs War. Just as the previous wars impacted which countries would lead the world in prosperity, the "war" we are in will dictate the communities that get the lion's share of the jobs (and thus prosperity).

Healthcare: The Biggest Front In The Coming Jobs War

I also like other themes in his book. Job creation in America isn't about getting jobs that went to other countries back. It's about creation of new customers to create new jobs in America.

The Coming Jobs War - Townhall

In his book "The Coming Jobs War" Clifton writes of the greatest challenge facing leaders today: the urgent need for countries and cities to focus on creating good jobs. He crafts some powerful statements at a time when we are dealing with the European debt crisis, escalating disparity between areas of the country with high unemployment while others face skill shortages, and the undeniable fact that there is a disconnect between job vacancies and the skill levels of available talent.
