Love the Algebra 2 practice book. My project over the Summer is to re-learn with my current semi wisdom and see what more comes to light with a strong Algebra review. Reason I purchased the base book and this workbook is because its used as the foundation for The Great Courses "Algebra II" (expensive but frequently on sale).

Ordered this for my son, along with a copy of the hardback text book it goes with (the same text book they use at school, this way he doesn't have to carry the book home daily). This workbook is great, if he is struggling with a particular section, he can do some extra problems set up the same as the text book.
