encompassing emotion. It flutters and pulls and asserts itself throughout human existence. Moustakas dissects it, pinching it's nerves and severing blood clots, revealing it's many hidden layers. If you enjoy narrative as a form of research, and aim to reflect on the underpinnings of loneliness, this is the book for you.

1961) The motive for  
writing the book is the  
poignant recounting of  
four lonely deaths,  
including the author's  
young daughter and  
mother. These sad
